

STILL STRONG IN DEFEATS

Boston Americans Haven't
Won a Single Game.

ATHLETICS YESTERDAY

Pounded Gibson All Over the Lot in the
Eighth Inning, Making Six
Safe Hits and Five
Tallies.

Boston, April 22.—The Champions looked like sure winners up to the eighth inning yesterday, as they had scored four times, while the Athletics from Philadelphia had not tallied. But the Boston balloon went up in that inning, and the visitors scored five runs which proved to be enough to win the game as the home team was blanked for the remainder of the game. It was the sixth straight defeat for the Champions and the tremendous crowd that turned out to welcome the home team was disappointed. Twenty thousand people was the estimated attendance.

Gibson was in the box for Boston and Coakley for the visitors. The former pitched good ball until the fatal eighth when the Philadelphia landed on him for six hits, including a triple by Hoffman. Coakley was sent to the stable in the eighth, after a disastrous seventh, in which Ferris and Collins singled, three men were given base on balls, Coakley made a wild throw to first and made a balk also. When the home team was out three runs had been scored. Waddell did not allow the Bostonians a show, striking out five of the six men who faced him in the eighth and ninth, including Ferris, Lachance, Moran, Burckett and Parent.

This is the way that Philadelphia made her runs in the eighth. Knight singled, Powers singled, Lord batted for Coakley. He fanned. Hartel singled, scoring Knight. Hoffman tripled, scoring Powers and Hartel. Davis singled, scoring Hoffman. Davis stole second and scored on Cross' single to center. Cross out, Farrell to Parent. Seybold out, Gibson to Lachance. Five runs.

For Boston Burckett scored one in the sixth on a single, a sacrifice, an out to the field and a wild pitch. In the seventh Ferris singled to left. Ferris went to third on a wild throw by Coakley to Davis. Farrell walked, Gibson walked, filling the bases. Burckett went out, Murphy to Davis, Ferris scoring. Parent fanned. Coakley balked and Farrell scored. Sellback walked, Collins singled to right, scoring Gibson. Freeman fouled to Powers. Three runs.

Score by innings:
Philadelphia 0 0 0 0 0 0 5 0—3
Boston 0 0 0 0 3 1 3 0—4

JAPANESE USING HAWAII AS A STEPPING STONE

Honolulu Man Says That After Staying
There a Short Time the Japs
Came to This
Country.

Washington, D. C., April 22.—John Maguire, a representative of the Trade and Labor Council of Honolulu, Hawaii, was in conference yesterday with Secretary Morrison of the American Federation of Labor, relative to the immigration of Japanese coolies to the Hawaiian islands. He told Mr. Morrison that the Japanese are coming in large numbers, and that as a rule after remaining a short time they continue their journey to the United States.

"They are making a stepping stone of Hawaii," said Mr. Maguire. "They are unable to secure permits from their Emperor to come direct to the United States, but they are getting here all the same. In Hawaii they are in all kinds of business except sugar planting, and are running others out."

Mr. Morrison assured his caller that the federation is taking steps to check the immigration of the Japanese. It is intended to bring the matter before Congress at the next session.

DELASSE TO RESIGN.

Rumor Circulated in Paris to That Effect Yesterday.

Paris, April 22.—A rumor is in circulation in the Chamber of Deputies that Foreign Minister Delasse intends to resign. The council of ministers assembled yesterday afternoon. The rumor is given under all reserve.

The rumor of the intention of M. Delasse to resign grew out of the feeling aroused over Morocco and Indo-China, the Socialist opposition to the minister being strong upon both questions. Up to noon M. Delasse's intimate associates were not aware that he had any purpose of resigning.

The council of ministers held a long session under the presidency of President Loubet. M. Delasse was not present.

The minister of public instruction left the meeting at 3:30 p. m. to take part in the debate in the Chamber of Deputies on the separation of church and state. The other ministers remained.

WITTE RESIGNS.

Takes This Action Because the Czar Snubbed Him.

St. Petersburg, April 22.—It is authoritatively stated that M. Witte has resigned the office of president of the council of ministers. This action was expected in consequence of the fact that the Czar had snubbed him by issuing a rescript addressed to Minister of the Interior Rouguine, creating a special commission to discuss questions relating to peasant tenure of which Witte was president.

NO MINISTER TO PANAMA

Indignantly Denies Report of Double
Dealing With Amador —
Papers at Wash-
ington.

Panama, April 22.—John Barrett, United States minister here, was interviewed yesterday in regard to the report which appeared in a New York newspaper that he had been guilty of duplicity in telling Panama one thing and his own government another, and might be recalled. He said:

"This statement is so at variance with the truth and with my record that it seems almost unnecessary to answer it. Copies of all the correspondence that passed between the Panama government and myself and the government at Washington are in the possession of the state department, which has never in any shape or form intimated that it was not satisfied with the terms upon which I conducted the negotiations."

"Secretary Hay and Assistant Secretary Loomis can say whether I am guilty of any duplicity. Secretary Taft is also in possession of all the correspondence which passed between this legation and the Panama government on important questions, as it was placed in his hands when he was here in November."

"My entire course with the Panama government since I came here first in July has been one of absolute frankness and mutual confidence. I know that President Amador has no such impression as the newspaper dispatch syndicates."

WEDS BOY COACHMAN.

Widow of 60 Knows Whether She Loves or Not.

Whitehall, N. Y., April 22.—The widow of N. O. Griffin, a well-to-do Philadelphia merchant, leaning on the arm of John Wood, her young coachman, appeared at the Episcopal rectory on Thursday afternoon and told the Rev. Mr. Elliott that they wanted to get married.

The 42 years difference in their ages was so apparent that the clergyman used every effort to dissuade them. It was of no avail, however, and the only answer the woman would make was:

"I don't care if Johnny is only 18. I am 60, and I guess I am old enough to know whether I love or not."

Finally the minister gave in. Mr. and Mrs. Wood will go on a tour of Europe.

FOREST FIRES IN CASTLETON.

A Quantity of Wood Burned — The
Blaze Extinguished.

It is supposed the fires caught from the sparks from an engine. They burned in the woods belonging to Thomas Hunter, also in the woods of Mrs. Minna McClellan, doing considerable damage. Mr. Hunter losing a number of cords of wood which was cut in addition to his other losses.

The fires were extinguished by hard work on the part of those interested and their neighbors.

Unanimous Commendation

as this best of all Spring Medicines, Hood's Sarsaparilla. No other medicine is universally prescribed by every school of physicians. It tones up the system as nothing else can do. It revives and sustains the vital powers. It is nature's food for blood and nerves.

Hood's Sarsaparilla Is Peculiar to Itself

It puts the human system into condition to withstand the contagious influences that prevail to a greater extent in the Spring than at any other season.

It cures "that tired feeling." It dispels indigestion; it removes all scrofulous tendencies. It is an unfailing remedy for diseases of liver and kidneys.

Changed from a Physical Wreck to a Well Man in a Few Weeks.

"I consider Hood's Sarsaparilla the most wonderful blood remedy a sick man can get," says Henry Mills, 47 Hoyt St., Brooklyn, N. Y. "It has changed me from a physical wreck to a well man in a few weeks."

"Through complications in sickness, I became blood-poisoned. My skin became yellow, I lost appetite, grew thin in flesh, my eyes glassy and my step slow and heavy. I felt much worried, as the doctor's prescriptions did not help me any, but, after I had only taken part of a bottle of Hood's Sarsaparilla I felt that I was on the road to a speedy recovery. So I continued taking Hood's Sarsaparilla regularly for nine weeks, and I am glad to say then the poison was out of my system entirely and I was in perfect health and strength. I cannot praise your medicine too highly."

It cures where all other remedies fail! It is the only recognized specific for the cure of dyspepsia, biliousness, headaches, insomnia and general debility.

DEAD BABY IN BANK.

Wrapped in a Bundle and Left on a Desk.

Washington, April 22.—A package left in the ladies' room of the Riggs National bank on Tuesday was opened yesterday and found to contain the body of an infant. When the bundle was discovered on one of the desks it was supposed that some one had left it by mistake, and it was put away in the vault to await the return of the owner. No one appearing yesterday, the bank officers decided to open it, in the hope of finding some clue to the owner, and the body of the child was brought to light. It was that of a white baby two or three days old. Whether it died of natural causes or was killed the Coroner was unable last night to say.

Many of the occupants of the latter were rescued by firemen. The fireman injured was struck by a falling pillar and his left leg was broken.

PAUL JONES' BODY READY.

Awaits the Arrival of the Naval Squadron.

Paris, April 22.—The body of Paul Jones was borne Thursday from the School of Medicine to the American Church of the Holy Trinity on the Avenue de l'Alma, and was deposited in the receiving vault to await the arrival of the naval squadron which is to carry back the remains of the admiral to America. The ceremony of the removal was attended by Ambassador Porter, Henry Vignaud, first secretary of the embassy; Colonel Bailly-Blanchard, second secretary, and John K. Govey, consul-general at Paris.
